

Why Participate In The PTA?

Children with parents involved in their education and schools earn better grades, score higher on tests, and much more.

The reasons that parent involvement increases student success are many—in itself, simply letting a child know you care and are invested enough to be involved in his day-to-day school life sends a clear message about the value of school and education.

Parent involvement in education is also linked to higher rates of school attendance, graduation, and pursuit of higher education.

Involved parents have better access to information about opportunities for students, allowing them to be stronger advocates for their children.

What Is The PTA?

The PTA is made up of parents, teachers, administrators, and business and community leaders devoted to the educational success of children and the promotion of parent and community involvement in schools.

The PTA sponsors exciting events at the school the whole family can enjoy, such as: Book Fairs, Movie Nights, Holiday Events, Cultural Arts, Skate Nights, and More!

The PTA is responsible for contributing additional funding through the submission of grant proposals for additional supplies, learning opportunities and improvements of the school to benefit the children.

These events and opportunities are made possible by the volunteers and fundraising efforts of the PTA.

How Can I Contribute?

The success of our school's PTA depends on the involvement of the parents, teachers, and administrators of HHES. There are many different ways you can get involved. We encourage you to find the right opportunity that works for you:

• Become a Member

A portion of the membership fees is used towards the special events we sponsor for HHES families.

• Volunteer Your Talent

No matter what your talent is, be-it organizing, leadership, technology, event planning, communications or something else, we will find a use for it!

• Volunteer Your Time

Even if it is for one hour for one event, it makes all the difference! We will respect your time by providing proper instructions of what your duties will be, and relieve you of those duties at the specified time.

• Submit Box Tops

Hundreds of dollars are earned every year from the box tops saved and submitted by HHES families.

• Eat Out on Restaurant Night

Throughout the year we will partner with a local restaurant who shares a portion of their earnings to HHES.

• Make a Donation

Donating supplies for events and classrooms, or donating money towards events is always needed and appreciated!
