

What is the PTA? The PTA is made up of parents, teachers, administrators and business and community leaders devoted to the educational success of children and promotion of parent and community involvement in schools.

What does the PTA do? We support our teachers and administrators by fundraising and connecting with community projects to enrich our students' academic experience. In the 2018-2019 school year, we were able to host several exciting events including our annual skate night, an in-school Halloween party, Scholastic Book Fair, 5th grade book challenge, annual Boosterthon and Fun Run, Teacher and Staff appreciation projects and field day! Through fundraising the receipt of grants, we were able to purchase and/or provide an iPad for the PE teachers, uniforms and meal for the dance team, French Café refreshments, sensory motor tools, Healthy Weekends funding, field trip transportation, an amazing teacher appreciation week and 68 new chromebooks!
